

To Everyone Entering Japan

(Installing apps required for preventing the spread of COVID-19)

The airport quarantine will check your smartphone when you arrive in Japan.

If you do not own a smartphone or if you own a smartphone that does not allow the installation of apps, please rent a smartphone at the airport at your expense upon arriving in Japan.

Please install the following apps on your smartphone and use them to ensure implementation of stay at home or the accommodation, etc. for 14 days after arriving in Japan.

* When you arrive in Japan, you will be asked to submit a written pledge regarding stay at home or the accommodation and use of location information-confirming apps, etc. for the 14-day period after landing in Japan. If you breach the pledge, your name and other information may be publicized. Foreign nationals may be subject to procedures for revocation of residence status and deportation under the Immigration Control Act.

(1) Install Overseas Entrants Locator (OEL) (Location information-confirming app)	Required for reporting your location information.
(2) Install and sign up for Skype or WhatsApp (Video call app)	Required for answering video calls from persons in charge to confirm your location.
(3) Set your smartphone to save location information (Settings on GoogleMaps, etc.)	Required for presenting a record of your location information to the health center or other facilities in case you tested positive after arriving in Japan.
(4) Install COVID-19 Contact-Confirming Application (COCOA) (Contact-confirming app)	Receive notifications about the possibility of contact with COVID-19 infected persons.

For information on how to install and set up the apps, please see this link.

<https://www.mhlw.go.jp/content/000753114.pdf>

* If you do not have the required apps installed and set up in advance, your airport waiting time may be longer than others'.
